Oggetto: 3D re-processing acknowledgement

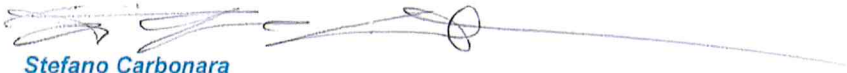

Dear Claudio,

I beg you to pass on my sincere thanks to all the colleagues who have contributed to completing the project extremely satisfactorily, for quality and punctuality of delivery.

Re-processing of such 3D marine data not supported by modern seismic documentation, represented a challenge which your processing center faced with enthusiasm, high professionalism developing proper tailored smart solutions.

I can anticipate my personal support for proposing your services in the future.

Best Regards,

Stefano Carbonara
